The 12th International Conference on Quality of Multimedia Experience

QoMEX 2020

www.QoMEX2020.ie

May 26th - 28th 2020 | Athlone, Ireland

"Towards a Deeper Understanding of Multimedia Experiences"

The 12th International Conference on Quality of Multimedia Experience will be held from May 26th to 28th, 2020 and will be an entirely online event. QoMEX 2020 will provide warm welcome to leading experts from academia and industry to present and discuss current and future research on multimedia quality, quality of experience (QoE) and user experience (UX).

Call for Participation

QoMEx Online
We will have a number of mechanisms to support interactive and enjoyable technical sessions as well as virtual social sessions.
